

IT'S OUR BIRTHDAY & WE WANT YOU TO SHARE IN THE CELEBRATION!!!

Dear competitor,

To celebrate our exciting 10th Anniversary, **Sniper Precision Technologies** is offering every qualified driver competing at the 2010 Rotax Max Challenge Grand Finals a brand new **Sniper V2 Inox** to use FREE of charge for the event to assist in making your Grand Finals title campaign a successful one.

Sniper Precision Technologies is proud to introduce the 2010 **Sniper V2 Inox** that offers state of the art technology with a small, compact laser wheel alignment unit which provides fast and easy tracking set-up with 100% accuracy. It's the ideal solution for all makes of chassis that's perfectly designed with the simplicity of being easily fitted to the stub axle with two strong inbuilt magnets.

Sniper is a trusted brand and well-known market leader in the technology of laser alignment systems for karting, guaranteeing every driver the quality and precision that is expected in competitive racing today.

SPECIAL OFFER ONLY FOR ALL 2010 RMCGF DRIVERS

As part of *Sniper's* Birthday celebrations, every competitor can pre-purchase the **Sniper V2 Inox** at a special "Grand Finals" price of **€225.00** – which is a **saving of almost €70.00** on the RRP [€292.80].

If you would like to take advantage of this once-only special price offer in La Conca, please confirm your order by email today at mail@sniper.com.au so that we ensure your own personal new **Sniper V2 Inox** is waiting for you to collect at registration. For your convenience, payment can also be made at this time or at the *Sniper Precision Technologies* stand at the circuit prior to the kart raffle.

Any driver not choosing to purchase the new **Sniper V2 Inox** before the event will receive their loan unit at the official kart raffle on Tuesday – Day 1. We look forward to supporting you throughout the event, so please ask us if you need any information or help in using your **Sniper V2 Inox**.

Please note:* The new **Sniper V2 Inox loan unit we give every driver to use at the 2010 RMCGF must be returned following the event in the same condition that it was supplied. If lost or damaged, the RRP price of €292.80 must be paid or the repair or replacement of damaged/missing parts.

Good luck in the racing and we'll see you in Italy!

Paul Machek
